I wasn't going to give up until every single publisher turned me down, but I often feared that would happen.

safa @givemhelldarlin

@jk_rowling What kept you motivated? Did you ever just feel like giving up at some point?

A large, stylized white letter 'S' is positioned on the left side of the image. The 'S' is filled with a circular cutout of a nature scene, showing a forest of evergreen trees in the upper half and a rocky, mountainous landscape with a small body of water in the lower half. The background of the entire image is a solid blue gradient.
